

CITY OF SAN MARCOS, CALIFORNIA
CITY COUNCIL POLICY

SUBJECT: Naming of Municipal Facilities

PURPOSE: To provide guidelines for the selection of names for all municipal facilities, including parks, recreational facilities, amenities within those facilities and other structural and land areas owned by the City of San Marcos.

BACKGROUND: The City is frequently approached to consider recognizing various achievements by individuals or groups. Most of these achievements can and should be accomplished by written or verbal recognition. Within our parks and recreational facilities, as well as significant municipal structural facilities - occasional permanent recognition may be appropriate.

POLICY: It is the policy of the City Council that applications may be submitted to the Community Services Department to be acted upon and forwarded to the City Council with a recommendation by the Community Services Commission for final Council action and approval for the naming of municipal facilities within the City of San Marcos. Some of the criteria to be considered for naming facilities may be as follows:

A) Specific Amenities Within Parks and Facilities:

1. A name of an individual may be used if that individual has:
 - a) Contributed significantly to the quality of life in San Marcos and has been a San Marcos resident.
 - b) Provided a substantial donation toward the cost of construction of a park facility or maintenance of said facility.
2. An organization name may be used if the organization provides a substantial donation towards construction or maintenance of the park or facility.

B. Parks

1. An identifiable geographic location or feature.
2. A name that provides a link with our municipal heritage.
