Additionally, each Assessor's Parcel shall be assigned as a participant in a Zone or Zones and/or Improvement Area, if applicable.
  - 5.2. The City Council shall determine for each Fiscal Year, the Annual Special Tax Levy.
  - 5.3. The City Council shall levy the special taxes for each Fiscal Year, commencing on July 1, 1998, in the following order of priority in order to fund the Annual Special Tax Levy for such fiscal year:
    - (a) Levy the special tax proportionately up to the Maximum Special Tax Rate upon all Developed Property to generate special tax revenues to fund the Annual Special Tax Levy;
    - (b) If, after levying special taxes pursuant to (a) above, additional special tax revenues are needed to generate sufficient special tax revenues to fund the Annual Special Tax Levy, levy the special tax proportionately up to the Maximum Special Tax upon all Approved Property; and
    - (c) If, after levying special taxes pursuant to (a) and (b) above, additional special tax revenues are needed to generate sufficient special tax revenues to fund the Annual Special Tax Levy, levy the special tax proportionately up to the Maximum Special Tax upon all Assessor's Parcels of Undeveloped Property which are subject to the levy of special taxes.

6. Manner of Collection of Special Taxes. The special taxes which shall be levied in each Fiscal Year shall be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes; provided, however, the City Council may, by resolution, establish and adopt an alternative or supplemental collection procedure, including direct billing. The special taxes when levied shall be secured by the lien imposed pursuant to Section 3115.5 of the Streets and Highways Code.
