CHAPTER 5.55 TOBACCO RETAIL LICENSE

5.55.010 Purpose.

The purpose of this Chapter is to encourage responsible tobacco retailing and discourage violations of tobacco related laws that prohibit the sale or distribution of tobacco products, including all smoking materials as defined in Section 5.55.020, to persons under 21 years of age and tobacco related laws that prohibit the display of tobacco products within reach of the public, but not to expand or reduce the degree to which the acts regulated by federal or State law are criminally proscribed or to alter the penalty provided therefore.

The purpose of this Chapter is to encourage responsible tobacco retailing and discourage violations of tobacco related laws that prohibit the sale or distribution of tobacco products including, but not limited to, nicotine pouches and emerging nicotine delivery products to persons under 21 years of age and tobacco related laws that prohibit the display of tobacco products within reach of the public, but not to expand or reduce the degree to which the acts regulated by federal or State law are criminally proscribed or to alter the penalty provided therefore. The City finds that such products, although sometimes marketed as alternatives to traditional tobacco, pose comparable risks of youth access and use. This Chapter therefore treats all such products as "Tobacco Products," pursuant to the definition below, and all are subject to the same licensing, compliance, and penalty provisions.

- A. Upon the receipt of an application for a Tobacco Retail License and the payment of a Tobacco Retail License fee, the City shall issue a License unless:
 - 1. The application is incomplete or inaccurate.
 - The application seeks authorization for tobacco retailing at an address that appears on a License that is suspended, has been revoked, or is subject to suspension or revocation proceedings for violation of any

of the provisions of this Chapter. Notwithstanding the foregoing, this subparagraph shall not constitute a basis for denial of a License if either or both of the following apply:

- The applicant provides the City with documentation demonstrating that the applicant has acquired or is acquiring the premises or business in an arm's length transaction. For the purposes of this subparagraph, an "arm's length transaction" is defined as sale in good faith and for valuable consideration that reflects the fair market value in the open market between two informed and willing parties, neither under any compulsion to participate in the transaction. - b) It has been more than three years since the most recent License for that location was revoked.

Any License issued prior to December 31, 2016, shall remain effective until December 31, 2017. An application to renew such License shall be made no later than 30 days prior, but no earlier than 60 days prior to the expiration of the License. The City has no obligation to issue notification of impending expiration of any License. The applicant shall follow all of the procedures and provide all of the information required by Section 5.55.040 above. The City shall process the application according to the provisions of this section. A License may be renewed annually by submitting a Tobacco Retail License application to the City along with payment of a Tobacco Retail Licensing fee; provided, however, a Tobacco Retail License that is suspended, has been revoked, or is subject to suspension or revocation proceedings shall not be renewed.
- C. If the information required in the License application pursuant to any subsection of Chapter 5.55 changes, a new Tobacco Retail License is required before the business may continue to act as a Tobacco Retailer. For example, if a Proprietor to whom a License has been issued changes business location, that Proprietor must apply for a new License prior to acting as a Tobacco Retailer at the new location. If the business is sold, the new owner must apply for a License for that location before acting as a Tobacco Retailer.
- D. A Tobacco Retail License that is not timely renewed pursuant to this Chapter shall be automatically suspended by operation of law. If not renewed, a License shall be automatically revoked six months after the renewal date. Additionally, civil, criminal and/or administrative citations may be issued during this interim period for failure to maintain the appropriate License. (Ord. No. 2019-1471, § 2(Exh. A), 2-12-2019)

5.55.070 License Fees.

The fee for issuance or renewal of a Tobacco Retail License shall be established by resolution of the City Council and shall be in addition to the City's business license fee and any other license or permit fee imposed by this code upon the applicant. The Tobacco Retail License fee shall be paid to the City at the time the License application is submitted. The fee shall be calculated so as to recover the cost of administration and enforcement of this Chapter, including, for example, issuing a License, administering the License program, Tobacco Retailer education, Tobacco Retailer inspection and compliance checks, documentation of violations, and prosecution of violators, but shall not exceed the cost of the regulatory program authorized by this Chapter.
