Executive Summary/Discussion

The City Council approved and adopted Ordinance No. 2023-1539, the Transportation Demand Management (TDM) Ordinance, on December 12, 2023, to be included in Title 20. This new Chapter was assigned Chapter No. 20.350. However, because that Chapter number is currently in use, a new Chapter number is needed for the TDM Ordinance. Staff requests that the City Council consider assigning a new Chapter number, Chapter 20.360, for the TDM Ordinance.

Environmental Review

The proposed Text Amendment to re-number the TDM Ordinance is exempt from environmental review under CEQA pursuant to Section 15061(b)(3), Review for Exemptions - Common Sense Rule, in that it can be seen with certainty that there is no possibility for this action to have a significant effect on the environment.

Fiscal Impact

Assigning a new San Marcos Municipal Code Chapter number to the previously adopted Transportation Demand Management Ordinance will not result in any fiscal impacts to the City.
